

Game over. I didn't even get to make a final post.

Completely, frighteningly bizarre.

I literally have NO IDEA what the hell this is talking about. I didn't even log in since the last time I posted. It's wicked. Someone is working really hard to keep that space a festering cesspool. Good riddance.

Can someone help me get this account deactivated? They refuse to let me deactivate it.

Yup, good riddance! You'd think these guys would be concerned about killing their best producers but I think it's all part of the plan, just like replacing proper soldiers with an army of woke pronoun lovers. Silly though because they can't monitor us if we aren't on "their" platforms.

This is one of the emails I received the other day. I get hundreds daily, and I am hearing you all.

This particular note spoke loudly to me and this lovely person gave me permission to share her words.
